

You will need:

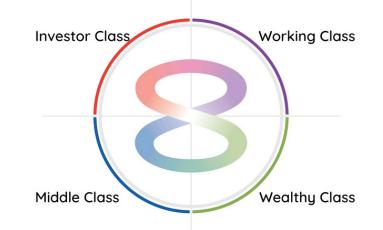

- Camera on (you'll be doing peer workshopping in small groups so it's important to see your face)
- To have every person in your team on a separate device for breakouts. They need to be logged into this call on zoom and muted while not in breakouts.
- Right click on the three lines on your video & change your name on Zoom to add your Quest status to the front of your name. eg. CT (Captains Table), O (Ocean), T (Team) or G (Guest)
- We will be together for the first hour, seperate as Chiropractors and CAs rooms, then come back together for the summary.
- Please play full on
- Move fast a fast game is a good game
- Remember that all of us is smarter than any one of us
